Indian Dinner Party

Another great success for the second Indian Dinner Party at the Rugby Club on the **18th May** which was attended by over 150 guests. The guests enjoyed the delicious food prepared by Jaipur and bought a substantial amount of raffle tickets which, together with the auctioned prizes by renowned islander and antiques expert, Peter Le Rossignol, contributed to the total amount raised of over £13,100. We are extremely grateful to our sponsors and prizes donated by local businesses.

The evening ended with a very enthusiastic crowd dancing to DJ Nelson's music.

Maureen Crago's Open Garden

Mrs. Crago's Open Garden in St Clements was held on a sunny day on the **8th June**. The Garden looked beautiful and there were stalls selling a variety of items from potted herbs to home baked cakes. The visitors enjoyed a very well run raffle with great prizes. We are very grateful for Mrs. Crago's hospitality and for raising £1,300 from the event.
